Children participating in the National School Lunch Program will not be overtly identified by the use of special tokens, special tickets, special serving lines, separate entrances, separate dining areas, or by any other means.

Privacy Act Statement: National School Lunch Act (Section 9) requires that, unless your child's Food Stamp, California Work Opportunity (CalWORKs), Kinship Guardian Assistance Payment (Kin-GAP), or Food Distribution Program on Indian Reservations (FDPIR) case number is provided, you must include the last four digits of Social Security number of the adult household member signing the application or indicate that the household member signing the application does not have a Social Security number.

These verification efforts may be carried out through program reviews, audits, and investigations; and may include contacting employers to determine income, contacting the State's Employment Development Department or local welfare offices to determine the amount of benefits received, and checking the documentation produced by household members to prove the amount of income received. Reporting incorrect information may result in loss or reduction of the household's program benefits, or in administrative claims and/or legal actions against household members.
