School Description

Forest Ranch Charter School (FRCS) a free, public K-8 charter school. We are a direct-funded charter school authorized by the Chico Unified School District. FRCS is located in the Sierra Nevada foothills, 13 miles east of Chico at approximately the 2,600 foot elevation. The school was originally chartered by Chico Unified School District (CUSD) for two years in 2008 and for another five years in 2010 and 2015.

FRCS students are challenged daily to perform their personal best through high expectations, individualized educational goals and low teacher-student ratios. We offer integrated thematic lessons and hands-on learning opportunities. An accelerated Math option and weekly pull-out GATE program ensure that advanced students are challenged and engaged. An elective rotation including subjects such as art, drama, music, choir, dance, engineering, coding, cooking, sewing, gardening, and sports helps stimulate interest in life-long learning and self-enrichment. FRCS is a STEM program that emphasizes global citizenship and environmental stewardship. In addition our Middle School Program has a strong focus on wellness and leadership.

Values - FRCS pursues excellence in education through adhering to the following values: engagement, security, community, sustainability, and integrity. We strive to provide an engaging (innovative, purposeful, fun) and secure (emotionally and physically) educational program. We intend to do this with an emphasis on community and sustainability (fiscally sound, environmentally responsible, core value retention). We strive to approach these responsibilities with integrity at all times.

Mission Statement - To provide a community school that allows each student to maximize their learning potential in a safe and engaging environment.

Vision Statement - To inspire our students and community through a sustainable, comprehensive academic environment.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Our teachers strive for academic excellence by using a range of state-adopted, supplementary, and teacher-created curriculum to meet or exceed state standards in all of the core subjects. We have an extensive curriculum and resource library that consists of mostly new materials. Where textbooks are the primary source (mathematics) students have their own book. In other subjects at least one resource or literature book is available for each student. Materials have been upgraded to ensure compliance with Common Core Curriculum requirements.

Textbooks and Instructional Materials Year and month in which data were collected: January 2017	
Core Curriculum Area	Textbooks and Instructional Materials/Year of Adoption
Reading/Language Arts	<p>Teachers have the use of assorted materials including: Reading A-Z, Step Up to Writing, Houghton and Scholastic literacy primers, Rigby Readers, a wide range of short stories, poems, fiction and non-fiction book sets, Houghton-Mifflin Spelling and Vocabulary, Working With Words leveled materials K-8, Flocabulary, Spelling City, Zoo Phonics, Primary Phonics, Explode the Code, and Easy Grammar with which to develop their literacy programs. All teachers have access to i-Ready, a computer adaptive, Common Core based instructional program in ELA.</p> <p>Percent of students lacking their own assigned textbook: 0%</p>
Mathematics	<p>All K - 5 teachers, except one, are using Eureka Math as base program. One teacher is using Math My Way as a base. In addition, teachers use a wide range of supplementary materials to provide a strong Common Core Math program. Supplementary materials include materials from Lakeshore, Montessori, Marci Cook, PBLearning, Number Stories, Georgia Math, and i-Ready. In 6/7/8, CPM is the core mathematics program. Teachers also utilize Sadlier-Oxford, Kahn Academy, Ed Genuity and assorted Common Core supplementary materials. i-Ready is used for assessment in all grades and as an instructional resource in 4th and 5th.</p> <p>Percent of students lacking their own assigned textbook: 0%</p>
Science	<p>Teachers use various resources including state-adopted materials to create lessons which meet or exceed state standards. A range of non-fiction resource books, texts, GEMS, LHS resource books, teacher created labs, STEM lessons and Foss kits are used. In 5-8 grades Discovery Ed Science Techbooks and Mossa Mack are available. Environmental Education Initiative (EEI) curriculum is also used in all grades.</p> <p>Percent of students lacking their own assigned textbook: 0%</p>
History-Social Science	<p>Teachers use various resources including state-adopted materials to create lessons which meet or exceed state standards. History of US, the Ancient World series, Interact, Houghton-Mifflin and Harcourt are among the resources utilized. 5-8th grades have access to Discovery Ed. materials and designated text books for each grade.</p> <p>Percent of students lacking their own assigned textbook: 0%</p>

School Facility Conditions and Planned Improvements (Most Recent Year)

The FRCS facility was constructed in 1991 to house the CUSD Forest Ranch Elementary School. When Forest Ranch Elementary School was closed in 2008, FRCS was able to utilize the site through a Prop 39 agreement with CUSD.

The site is approximately fifteen acres set in the beautiful, forested, foothill community of Forest Ranch located roughly 13 miles from Chico when traveling east on Highway 32. The grounds are fenced to limit unauthorized access and facilitate supervision. The site includes an administration building, a multi-purpose room including a full kitchen and gymnasium, a library, four permanent classrooms, six portable classrooms, a school garden, an irrigated playfield, play equipment, and a large blacktop area.

FRCS has a paid custodian along with volunteers who maintain and clean the facility. The students, staff, parents and community members are proud of their school and strive to care for the buildings and grounds. The school reflects the great foothill community in which it rests.

The most recent facility inspection was performed in January 2018 using the Facility Inspection Tool and School Facility Conditions Evaluation. The evaluation revealed that the site is clean, well cared for and in excellent condition.

Planned improvements include the addition of a Sports Field and the re-flooring of Portable Room 8. Additionally, we are exploring options for alternative energy producing projects.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2016-17 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)

ELA	51	51	51	51	48	48
Math	38	45	44	42	36	37

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2015-16 CAASPP Results by Student Group Science (grades 5, 8, and 10)

All Students	26	22	84.6	77.3
Female	16	14	87.5	64.3
White	20	17	85.0	76.5

* Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores. Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Socioeconomically Disadvantaged	39	39	100	42.11
Students with Disabilities	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parental involvement is a key component of FRCS. Our school was created by and for parents. Many of our classroom teachers and support staff currently have students enrolled in the school. Volunteers hold many key positions in the daily operation of the school and make extra opportunities for students such as field trips, special events and elective classes possible. Parent and family involvement in and out of the classroom is strongly encouraged and valued.

Opportunities in the most recent year included participation in several committees (School Advisory Committee, Safety Committee, etc.), representative positions in the Parent Teacher Partnership group or the FRCS Board of Directors, Stakeholder LCAP meetings, Parent Education Nights, classroom volunteering, classroom volunteer work from home, fundraising events, and much more. To get involved as a parent or a community member, please contact our school office at 530-891-3154.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

The Comprehensive School Safety Plan is updated annually, in accordance with Senate Bill 187. FRCS Comprehensive Safety Plan was updated and approved by the FRCS Board of Directors on September 15, 2017. This plan is available upon request.

At Forest Ranch Charter School we are proactive in our efforts to create a safe, healthy, and enriching campus. Our goal is to provide a place where students, parents, and community members feel safe and can communicate positively. Strategies and programs that provide and maintain a high level of safety are reviewed by our Safety Committee and implemented throughout the school year to achieve this goal. We focus on prevention through safe, clean school grounds with adequate supervision; use of Positive Behavior Support strategies and Social/Emotional learning programs; use of internal security procedures, and coordination with other agencies/services to acquire needed supports.

Our Comprehensive Safety Plan includes procedures for child abuse reporting; disaster/emergency management; teacher notification surrounding dangerous students; suspension and expulsion; sexual harassment; dress code; safe entrance and exit of students, parents and staff to and from school; maintenance of a safe and orderly environment conducive to learning; school discipline, rules, and consequences; and reporting a hate crime.

In addition, fire drills are conducted monthly; code red and earthquake drills are conducted quarterly and all staff members are refreshed annually as to their responsibilities in the event of an emergency.

Health and safety concerns are regular items on our Board of Director agendas, at PTP meetings, and at our Safe School Team meetings. They are also addressed as necessary in our weekly e-mail announcements and on the school website.

Professional Development provided for Teachers

At FRCS we believe professional development of faculty and staff is critical to our success. Throughout the year, faculty and staff have required and optional trainings on various topics. Our faculty has bi-monthly group meetings as well as one-on-one meetings with the school administrator to consult on curriculum development, program philosophy, and collaboration. Areas of focus are chosen based on individual teacher needs as well as program/L-CAP goals. Program/L-CAP goals are chosen based on student needs determined by academic and survey data.

The FRCS school calendar contains three school days dedicated to staff development provided through workshops and outside consultants. In addition to those three days, faculty and staff are encouraged to attend trainings that may become available during the school year as well as during vacation breaks to improve their usefulness to the school and their professional growth.

The FRCS Governing Board is committed to forming relationships with other schools and keeping abreast of best practices in governance and education. Our administration regularly collaborates with other programs and encourages faculty to connect with others in their field.

Types of Services Funded

FRCS offers many supplemental educational services. These include weekly Band, Choir, Classroom Music, and a pull-out GATE Program. Other funded services are Performing Arts including Dance, Choir, and Drama; Engineering; Nature Study and Gardening; Arts and Crafts; Handwork; and Games/Sportsmanship on an elective rotation. The Explorer's Club provides a daily aftercare program operated by a credentialed teacher. Homework Club provides free, twice-weekly afterschool homework assistance staffed by a credentialed teacher. Transportation services between Forest Ranch and Chico are offered free of charge to all students. Nutrition services include participation in the National School Lunch Program, providing a healthy and nutritious breakfast, lunch and after school snack to all students, including the availability of free and reduced meals to eligible families.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
