

CABS 4 KIDS TRANSPORTATION AND CITATION PROCEDURES

Bus stops are designated by your school and Cabs 4 Kids and may need C.H.P. approval if they do not meet state standards.

Students are expected to be at their bus stop 5 minutes before the bus is scheduled to arrive. The bus will leave promptly at the scheduled departure time. The bus will not stop again until it reaches the next scheduled stop.

It is the parent's responsibility to make sure that their children get on and off the bus safely. Please walk your children to the bus in the morning and come to the bus door to receive your children in the afternoon.

Students are to get off the bus only at their designated stop unless they present a note from their parent to school authorities. Your school will then inform the Cabs 4 Kids office of the change in your child's schedule. All changes regarding your child's bussing service must be given to your school and Cabs 4 Kids office.
