To help with rebuilding after the fires, we are collecting materials for a few families and a Charter School in Santa Rosa. We need gift cards, new toiletries, make-up, and general school supplies. In addition, we are working to put a thank you dinner together for the amazing fire fighters with our students. We will keep you posted on the date and details for this.

Our first Middle School Dance is coming up. It is $5 for each student attending. Students may bring guests from other Middle Schools but they WILL NOT be admitted without a permission slip signed by their parent. This includes former students from our school (it is an insurance requirement). While our alumni are allowed with permission, guests must be in 6th through 8th grade to attend. Please see the permission slip is attached. There will be a movie and chat area in the student lounge for any parents that don’t want to drive up and down the hill.
