Children should learn that reading is pleasure, not just something that teachers make you do in school.
– Beverly Cleary

Forest Ranch Charter School (530)891-3154

The page is framed by a decorative border of green, rounded shapes with black outlines, resembling stylized leaves or segments. In the top-left and top-right corners, there are cartoon fox heads. The fox on the left is red with a purple bow and black-rimmed glasses. The fox on the right is red with a blue bow. The background of the page is white.

Student Government News

1. Bottle Flipping Contest will be held, at lunch, on Tuesday, January 30th. More details to come in next week's newsletter.

2. Spirit Day - January 26th "Boring Day"
Dress in monotone colors like black, white gray. Brown will even count since that's not as fun of a color as blue, pink, green, etc.

3. Student store will be available every Wednesday and Friday during lunch, approximately 12:15 to 12:35.

This section of the page is framed by the same decorative border as the top section. It features the same two cartoon foxes in the top corners: a red fox with a purple bow and glasses on the left, and a red fox with a blue bow on the right.

We are beginning to assemble the 2017/18 yearbook. This year, the pictures are being organized by a student as part of her "careers" class. We are very proud of Katlyn and her dedication. It would be great to have a parent or community helper to guide us or to layout pages. Please give a call or email if this sounds like something you might be interested. Any help goes to your volunteer hours and is greatly appreciated! Volunteers truly do make a difference. Please send any yearbook photos to photos@forestranchcharter.org Thank you!

Dear Forest Ranch Charter Families,

It was a nice relaxing break but we are excited to be back on campus and working hard, learning. If your student was participating in our Emergent Reader Program and you are in need of more leveled books or activities let us know. Also, please keep your students reading. In two weeks we will have a snow themed Reading Party. Students need 6 keys to attend.

Middle School and High School are rapidly approaching for some of our students. We will be meeting with our 5th grade students in the next couple of weeks to talk about our program for Middle School and answer their questions.

I am looking for parents and community members to join our School Advisory Council. This group meets to review our L-CAP goals and give input on big things like curriculum, configurations, student programs, and family services. Join us, I would love to have more input.

Sincerely,
Christia
