1/19/2018

### Middle School Students:

A group of kids will be meeting at Barnes and Noble every Wednesday from 6:15-8:15 PM. We will start with a writer's workshop then an open mic to share poetry, music or what your heart desires! Please come!

School is a building which has four walls with tomorrow inside.

Forest Ranch Charter School (530)891-3154

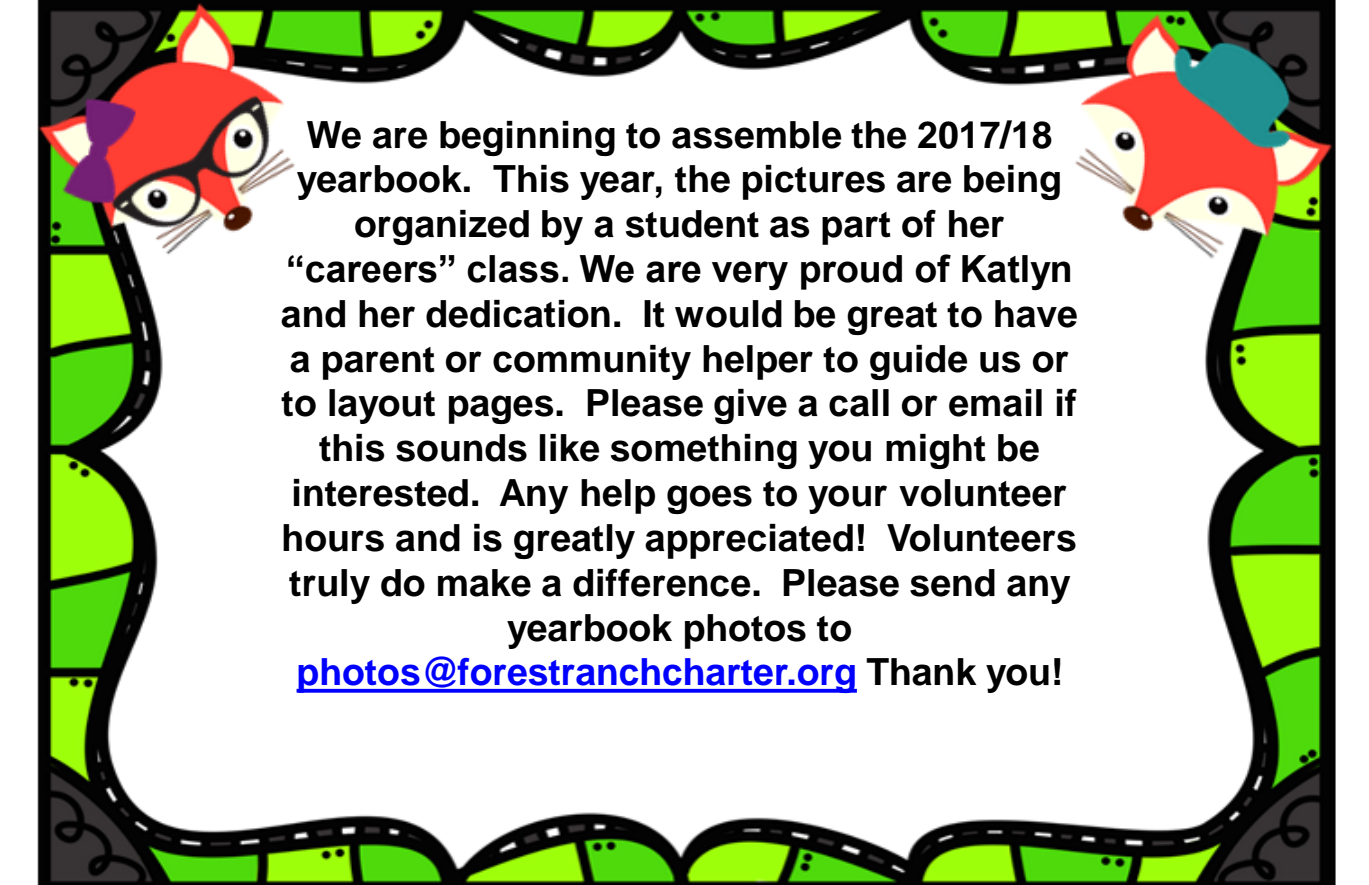

The page is framed by a decorative border of green, rounded shapes with black outlines, resembling stylized leaves or segments. In the top-left and top-right corners, there are cartoon fox heads. The fox on the left is red with a purple bow and black-rimmed glasses. The fox on the right is red with a blue bow. The background of the page is white.

## Student Government News

1. Bottle Flipping Contest will be held, at lunch, on Tuesday, January 30th. More details to come in next week's newsletter.

2. Spirit Day - January 26th "Boring Day"  
Dress in monotone colors like black, white gray. Brown will even count since that's not as fun of a color as blue, pink, green, etc.

3. Student store will be available every Wednesday and Friday during lunch, approximately 12:15 to 12:35.

This page is framed by the same decorative border as the first page, with the same cartoon foxes in the top corners.

We are beginning to assemble the 2017/18 yearbook. This year, the pictures are being organized by a student as part of her "careers" class. We are very proud of Katlyn and her dedication. It would be great to have a parent or community helper to guide us or to layout pages. Please give a call or email if this sounds like something you might be interested. Any help goes to your volunteer hours and is greatly appreciated! Volunteers truly do make a difference. Please send any yearbook photos to [photos@forestranchcharter.org](mailto:photos@forestranchcharter.org) Thank you!

**Good Afternoon Forest Ranch Charter Families,**

**The year is rolling along quickly! Please avoid the mid-year slump by continuing to find engaging ways of making reading and math a priority at home. Just a little bit a day can make a big difference! If you need ideas give us a call. Your child's teacher and I are always happy to meet with you to provide materials or academic support. Our Reading Party is next week. Students need six Reading Keys to participate!!**

**On another note, we are working hard to create smoother after school procedures. While we try to offer parents multiple choices, it becomes challenging when we are not made aware of student's plans. It is crucial that we know ahead of time whether students are riding the bus or staying in after care. Please let Christy know your child's after school plans as soon as you know them.**

**Also, school pick up is at 2:40. We have too many students being left in aftercare during the 20 minute grace period This is not intended for general or regular use. This is only for emergencies. It is being used too frequently. If we can't reduce this, we may have to start charging at 2:45. Please let us know if you have a special circumstance, we are happy to accommodate when we have clear communication.**

**Students had a great week! Great job to all of them for working hard, treating each other kindly, and helping out our substitute staff. Thank YOU!**

**Sincerely,  
Christia**
