Forest Ranch Charter School (530)891-3154

Dear Forest Ranch Charter Families,
In light of recent news, I wanted to assure parents that your students safety is always our first priority. Our Safety Committee met last week and reviewed campus procedures. Speedy implementation and solid procedures are a few things that can further students safety on campus. Today at morning assembly we reviewed Code Red procedures and signals, answering students questions but also keeping things light. We want students to feel safe on campus!! We will be reviewing procedures with support staff and faculty and will hold a Code Red drill later in the week. We will focus on practicing during recess and seeing how quickly we can locate all children. We will have more frequent drills so we can work on speed across different times of day. Each drill will focus on efficiency and will be non threatening and matter of fact. In addition we want to remind all of you to please wear a visitor/volunteer pass and sign in when you are on campus any time other than pick up or drop off and keep your emergency contacts up to date so that we can access you at all times. Please let us know if you have any questions or concerns.

Sincerely,
Christia Marasco
