Our school is beginning the California State Tests this week. Please be sure to have a good rest and a healthy breakfast.

We could use donations of healthy snacks for testing. String cheese, trail mix, hard boiled eggs, and seaweed are just a few suggestions. Also, we like to give the kids gum during their tests. If you could provide sugar free gum we would appreciate it!

Please be sure to sign in the binder at the office front desk when you volunteer. Also, if you volunteer from home, please grab a volunteer hours sheet from the office. Thanks! You are the glue that keeps us together!

We sent a lice notice out last week after doing spot checks on children around school. Please know there were only a very few nits found. Please be diligent in checking your children and know we are taking steps to ensure a clean, no spread campus.

As the weather warms, please be sure to send water bottles and put sunscreen on your children. We don't want to burn their sweet faces!

Hard work pays off! Ms. Stearns's 1st and 2nd graders earned \$185 during the Foxes Bazaar. The class will decide this week which charity will receive this money as a donation. We will keep you posted!

BAM!
