- 1 This master agreement is in effect for one trimester. Independent Study is a voluntary optional educational alternative in which no pupil is required to participate; a classroom option is always available. In the case of a suspended expulsion student, pursuant to Ed Code 48915 or 48917, an alternative of classroom instruction has been offered and is available at all times. All resources and services of this school are available to the student.
- 2 Objective: The major objective for the duration of this agreement is to enable the student to keep current with grade level studies in the grade noted above, for the period covered by this agreement. This agreement is to enable the student to successfully reach the objectives and complete the assignments identified in the Assignment and Work-Record Form(s) that will be a fully incorporated part of this agreement. With the support of the parent, guardian, or caregiver, the student will submit assignments on or before their due date.
- 3 According to School policy for independent study in grades K-8, no more than 20 school days may elapse between when an assignment is made by the teacher and the date it is due, unless an exception is made in accordance with School policy. One missed assignment will trigger an evaluation as to whether independent study is in the best interests of the student. That evaluation becomes a part of the pupil's mandatory interim pupil record.
- 4 Resources: The School will provide the teacher services, instructional materials, and other necessary items and resources as specified for each assignment.
- 5 The student will complete the studies listed below during the semester of the agreement as they are outlined in the FRCS curriculum.
