III. Action Items:

A. Yearbook - Melinda will meet with Janina Carter to discuss the needs for graphic design. Yearbook must be black & white or color. Melinda will check with Joanne about the possibility of an inexpensive program that might be utilized for creating the yearbook. Each page must be positioned precisely, with the appropriate resolution.

B. Music Festival Alternative - The new goal is to switch to a Concert Series one night per month. We could try it out for three months, possibly beginning this series for July, August, and October. Food can be offered, such as pizza or burritos, if someone wants to do this.

C. T-Shirts - Shannon discussed the logo with Christy, who explained how the colors were scaled back from 11 to 4 colors per logo for last year's shirts. Christy emailed Shannon the logo design. After Melinda counts the remaining t-shirt inventory, she will let Shannon know how many t-shirts, what sizes and styles are needed for next year, and Shannon will get a quote from SunDog Screenprints in Chico. The PTP is also considering using Positive Print for next year.

D. Silver Dollar Fair - Christy sent an email detailing the facts about art submissions by students. Admission Forms are due by April 16th, and the art pieces themselves are due by May 17th. Baked goods are due by May 21st. Chantel and Shannon have volunteered to help Christy collect and transport student art to and from the fairgrounds. Admission

forms are available on the Silver Dollar Fair website. (http://www.silverdollarfair.org/Silver-Dollar-Fair/Forms/index.html

Choose the "Still Exhibits" link to open the admissions form).

Teachers will keep a list of students who want to enter a project at the Fair and the name of the project by Friday April 12th. The forms are due to the fair by April 16th. Christy plans to be at school on Friday April 12th to collect information and fill out forms. She plans to send a reminder to teachers on April 1st. The projects themselves are due at the Fair on May 17th.

E. Cal Skate - Melinda will send out Cal Skate information on March 28. The Cal Skate event will be held on April 5.

F. Ideas for fundraisers - A list of fundraising ideas must be submitted to the Board by June 18th. Firewood (approved previously), flower bulbs, rummage sale, Full Moon Festival, Book Faire, Santa's workshop, See's Candy, chocolate bar sales, soup & chili night. Santa's workshop is a fundraising idea which would divide the evening into two time slots: one "shopping session" directed at kids while the parents chat, and the other shopping session directed at parents while the kids do arts & craft activities. We could sell hot cocoa, there could be photo booths set up with a snowman scene/winter backdrop and a separate Santa photo opportunity - possibly on Dec. 7th 2013.

G. Birthdays - Joe's and Alycia's birthdays are coming up.

H. Dr. Seuss Day - March 1, 2013 - The frozen yogurt was tremendously popular, with very long lines. Also successful were the green eggs & ham and the Oobleck stations. The make your own bookmarks were a big favorite among the kids.
