II. Action Items:

A. Teacher Requests - Lisa Matoes indicated that the teachers need tumbling mats for the students, for use in their morning warm-ups and for cheerleading practice. An electric ball pump is also needed for the PE closet. Shannon will research prices and sizes for tumbling mats. Lisa Speegle mentioned that there is an air compressor in the janitor closet that can be used for inflating the PE balls. All that's needed is a ball pump attachment.

B. Safety: Safety Committee meeting on Thursday, Jan. 9, 2013 in the library. Meeting will be publicized and open to public. A Deputy Sheriff will be at the meeting.

C. Student Government Movie Night, Jan 25th, 5-7 p.m. Bottled water and popcorn will be provided by the student council. Pizza will be provided by the PTP. Ten take & bake pizzas from Murphy's are being considered for now, until an estimate for the number of families attending/wanting pizza can be determined. Pizza will be sold at \$2 per slice. Adrienne will bring small brown paper bags for the popcorn, and will send an email to parents soon. Marlene will check on carpeting that can be used to increase warmth for the floor of the multi-purpose room.

D. Woodstock's Fundraiser - The event has been booked for Mon. Feb. 11. and a fundraiser flier is being considered. The flier may be modified/updated to better suit the needs of the school prior to being circulated.

C. Expense Reimbursement - Copies of the FRCS *Board Policy - Expense Reimbursement* document was distributed. This document details cost controls, appropriate expenditures, and expense reporting. The PTP will follow the Board's reimbursement recommendations for timely payment.

D. Father & Daughter Dance - PTP opting not to have this event this year.

E. Dr. Seuss Day - March 1, 2013. Historically PTP provides ice cream and hot fudge. This year Cheryl will bring frozen yogurt and sprinkles instead of ice cream. Other donations have included eggs and ham.

F. Rummage Sale - The PTP will reconsider having this event next year.

III. Information and Discussion Items:

A. Winter Concert Update - The concert went well. The desserts were plentiful, with many extras that were put into the freezer. The limit 3 per person sign for the desserts plus having only a napkin to use (instead of a plate) helped.

Chico Bag - Chantel mentioned a fundraising opportunity through Chico Bag: At \$3.00 per bag, we could earn 50% while Chico Bag gets the other 50%. Chantel will look into the possibility of having the school's name and/ or logo printed on the bags and check on the quote for 100 bags.

B. Melinda found a tree for the Torres Shelter fundraiser.

C. Snow blower - Marlene found a snow blower that may be used as a loaner, and no longer recommends that the PTP acquire a new one.

D. Adrienne's birthday - carrot cake will be selected by Melinda from Costco.

E. Mallory's birthday - a card will be signed and sent to her soon.

F. The next meeting January 29, 2013 (PTP/PBS meeting).

G. Recruitment plans and ideas - Christia and Christy are working on a mailer. Board will approve mailer next week. The focus is on filling available spots in kindergarten.

IV. Adjournment - 3:55 p.m.
